### Clearing Out the Floor Covering Stock We Recently Purchased.

E'VE entered into business with one of the greatest sale chances likely to occur during our career. We purchased this stock of goods at a figure that enables us to clear it out to make room for our own spring stock at prices that are unquestionably the lowest ever quoted on like quality goods. The sale has a double purpose-to close out goods and at the same time favorably introduce the new firm to the Washington public.

-This is a quality store-always has been-always will be-con-

sider that when you consider these prices:
